

World Class, World Ranked

Swinburne is a world-ranked university leading the way in innovation, industry engagement and social inclusion. Our education, high-quality research and industry partnerships create positive change for students, staff and the community.

At Swinburne, we understand it takes more than just qualifications to compete in today's job market. We equip our students with the knowledge and capabilities they need to establish successful careers through high-quality teaching and work-integrated learning.

World-ranked university

Swinburne is an internationally recognised research-intensive university. In 2021, we ranked 45 in the QS rankings for the world's top universities under the age of 50. This proves the success of our focus on and investment in high-quality teaching and research. It is why we are leaders in science, technology, innovation, business and design.

Modern and safe campuses

Swinburne is located in Melbourne, Australia, which has, for seven consecutive years, been voted the most liveable city in the world by the Economist Intelligence Unit (EIU). Melbourne's vibrant lifestyle includes Australia's best shopping, leisure and sporting events, and a renowned arts scene. Its vast multicultural community, combined with its commitment to quality education, makes Melbourne one of the world's most dynamic cities.

At Swinburne, we provide a friendly and supportive place to learn. We have small classes and modern facilities, and students receive individual attention and academic support from teachers.

Inner-city location

Swinburne's main campus is located in Hawthorn, an inner-city suburb located only 10 minutes away from Melbourne's CBD by train. The campus is located in a vibrant shopping hub that offers students a large variety of cafes, restaurants, shops and supermarkets, as well as parks and a movie theatre right across the road from campus. In addition, apart from offering great on-campus apartments and residences, it is close to many other accommodation options.

A wide range of study areas, including:

- Arts and Humanities
- Aviation
- Built Environment and Architecture
- Business
- Design
- Education
- Engineering

English Courses (ELICOS) ONLINE

Since March 2020, all non – award ELICOS courses have successfully been moved online. We deliver all levels of English (GE1 – GE3, EAP3 – EAP5), as well as Online versions of our Bespoke Programs and Study Tours, with small changes to suit the Online Delivery mode.

Our courses are delivered through [Canvas](#) Learning Management system and [Microsoft Teams](#).

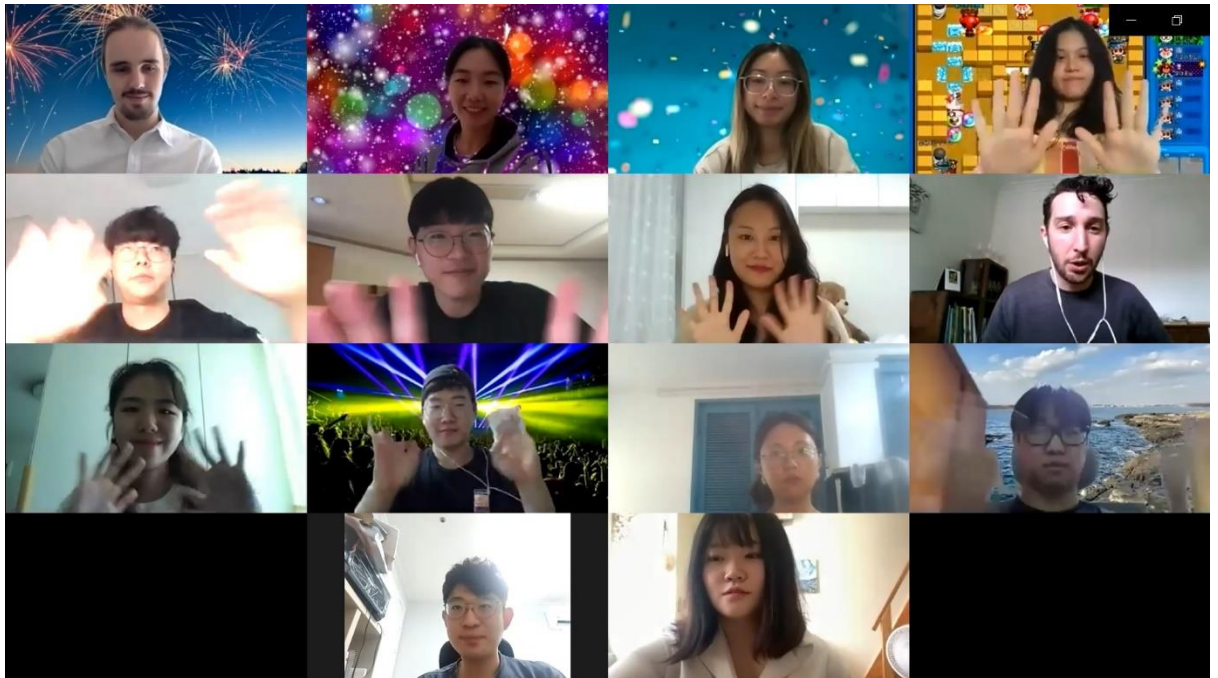

All our courses are interactive and feature the use of quizzing and gaming apps, including Kahoot!, Quizlet, Quizzizz. Students are engaged in each class with one-on-one and group discussions; both written, spoken and study skills are vital parts of our learning and teaching model. They also have access to a range of online support services, including buddy programs, study support groups, one-on-one tutorials, conversation club and a thriving online community.

The Software necessary to participate in the program is provided free of charge to students, and all in-house custom designed study materials are available via Canvas at no additional cost.

- Guest Speaker from a professional industry: Students will have the opportunities to listen to a special lecture by a guest speaker related to the area of the group, as well as to learn about his or her experience working in a multi-cultural environment, and the importance of understanding cultural sensitivity.
- Virtual City Tour: Students will visit Melbourne's must-see spots in CBD virtually, including a virtual tour of National Gallery of Victoria. (*depending on the availability, the program is subject to change.) A Swinburne staff member will take them to a campus tour and talk about the student life at Swinburne.
- Presentation by students: In this session, students will be preparing a short group presentation about their own culture to present to our local students. Students will be able to share their ideas and points of views from different cross-cultural perspectives.
