

DEAKIN UNIVERSITY

Deakin University is one of Australia's most innovative and progressive universities. Established in 1974 Deakin has campuses in Melbourne, Geelong and Warrnambool.

Deakin University has twice been named University of the Year by the prestigious Good Universities Guide – in 1995/96 for its imaginative and responsive application of technology in education and in 1999/2000 for outstanding training and partnerships. Recently, Deakin was awarded the rights to be Victoria's third university to offer Medicine.

Deakin University has four faculties: Arts and Education, Business and Law, Science and Technology and Health. Each faculty is made up of a number of schools which offer a range of undergraduate and postgraduate programs and short courses across a comprehensive range of professional and vocational skill areas.

DEAKIN UNIVERSITY ENGLISH LANGUAGE INSTITUTE

Deakin University English Language Institute (DUELI) is one of the leading English language providers in Australia and an integral part of Deakin University's International Division.

DUELI reflects and represents Deakin's outstanding commitment to student support and teaching excellence by delivering high quality English language programs and initiatives to international students.

DUELI has offered full-time intensive English language programs since 1998 and prides itself on providing students with pathways into undergraduate, postgraduate and Higher Degree by Research (HDR) programs at Deakin University.

Since 2005, more than 10 000 students have entered a Deakin University award course after completing a DUELI pathway program.

Key factors outlining DUELI's success

DUELI provides innovative direct entry pathway programs to university, and outstanding support to all its students. DUELI's success is demonstrated by:

- its rating as the provider with highest level of student satisfaction in Australia for University based English language institutes¹.
- being rated first for overall student satisfaction nationally and been ranked first in the *Technology resources*, *Learning flexibility* and *Learning that will help students into a good course* in the 2011 i-Graduate/English Australia benchmarking survey. It has also received an average ranking of fourth across Australia in the 2013 follow-up i-Graduate survey results released recently.
- Outstanding student support services including orientation services, dedicated student advisers who provide counselling support and social activities for all students. These services are also supported by the university health, welfare and disability student support services, available to all DUELI students.

- Outstanding facilities. DUELI students have access to the same facilities as Deakin students. DUELI facilities also include Independent on line learning hubs, designed specifically to enable conversation, listening and video areas, with self-study areas.
- Small classes enhance the learning experience. DUELI's classes range from 8 to 15 students, with classes designed to help students make the most of their time while learning in a friendly, welcoming and multicultural environment.
- Providing a pathway entry to Deakin University. Since 2005, more than 10000 students have articulated to an award course program at Deakin University and more than 5000 have articulated to a Diploma pathway at Deakin College after successfully completing a DUELI pathway program.
- A unique DUELI Leaders Internship program. DUELI has developed its own programs where participants have the opportunity to develop leadership skills and make valuable contributions to the international student community.
